ABOUT BOUQUETS OF KINDNESS

For ten years, Bouquets of Kindness has been dedicated to bringing local seniors together to create beautiful floral arrangements, delivering everyday essentials, and building lasting friendships through fun group activities.

Through the generosity of volunteers, donors, and community partners, flowers from weddings and events have been disassembled and delivered, becoming beautiful senior-created bouquets, reminding them they are remembered, valued, and loved.

In addition to flowers, we provide food and personal care items to seniors on fixed incomes and host quarterly group events that foster connection and joy.
